By combining Disney's legendary ability to bring classic stories to life with the *Adventures by Disney*® signature of immersive experiences, we've created a family vacation to Norway that only Disney can deliver.

A Norwegian Adventure Awaits

See the incredible places that inspire the settings in the latest Disney comedy-adventure film, *Frozen*.

• Bergen

The storybook village which served as a real-life inspiration for the kingdom of Arendelle

ADVENTURES

BY 

Experience the Stunning Landscapes and Culture of Norway in Ways You'll Never Forget.

- Be enchanted by the storybook village of Bergen
- Explore the majesty of fjord country
- Meet local storytellers, fishermen, and farmers and be immersed in the local culture
- Visit stave churches that inspired the architecture in the film
- Hike through beautiful landscapes
- Raft down a scenic river
- Bask in the natural beauty of Norway's stunning waterfalls, gleaming glaciers and gorgeous fjords.

Adventure Day-by-Day
